Dear Siska,

Greetings from the Philippines!

I trust this message finds you well. It is with great pleasure that I reconnect with you after our meeting with Dr. Myrna Quinto last March 2023. At that time, I served as the Dean at FEU Cavite, and since then, I have been reassigned to the Far Eastern University (FEU) Main Campus. Despite the transition, my collaboration with FEU Cavite remains steadfast.

I am reaching out to you as two of our academic managers are scheduled to visit Batam from January 18-20 for an ocular inspection at Harris Hotel for internship purposes. Given the esteemed reputation of your academic institution in Batam, I believe this presents a valuable opportunity for them to engage in benchmarking activities and explore potential collaborative ventures in the future.

Therefore, I am formally requesting permission for their visit to your Diploma in Hospitality and Tourism Graduate Program. I am confident that the insights and knowledge they can acquire from BTP's esteemed programs and practices will significantly contribute to enhancing our own educational offerings. Your institution's expertise in the field is highly regarded, and I am optimistic that this visit will lead to a fruitful exchange of ideas and experiences.

I kindly seek your consideration for this benchmarking visit, and I hope we can facilitate this collaborative learning opportunity for the mutual benefit of our institutions. Please inform me if this proposed visit aligns with your schedule and if there are any specific guidelines or requirements we should adhere to during their visit. We are in the process of preparing the formal letter of invitation to BTP, which will be sent to you shortly.

With your confirmation, Chef @John Lester Fallesgon Tuason and Ms. @Carolina Lumaban Rocas will further communicate the details of their visit.

Thank you for your time and attention, and I eagerly await your positive response.

Warm regards,

Maraming Salamat!

Sincerely,
HB
