Importance: High

Good morning to you, Pak Villo.

We have completed our meeting with Serene last evening, and I am attaching the proposed programme at your campus (see below).

As goodwill gesture of our collaboration on the student mobility programme, I am preparing a letter to be jointly signed by our Ag Director and BTP. I will personally hand over this signed letter when we meet on 6 Nov (Signed Letter with Annex A: List of our students participating in this programme).

Pak, can you help to advise me who will be the signing (full name and title) from BTP? Thank you very much.

Currently, from TP we have 2 staff (Yvonne and I), and a total of 25 students: 15 female and 10 male. They come from 2 Schools: Engineering and Business

Looking forward to visiting you, your colleagues and students at BTP.

Proposed Programme at Batam Tourism Polytechnic (BTP)

08:45am (BT) Majestic Ferry arrives in Batam. Disembark and clear immigration
09:15am (BT) Journey to Batam Tourism Polytechnic (BTP)
10:00am (BT) Opening Welcome speech by BTP / Speech from Temasek Polytechnic (TP)
10:15am (BT) Presentation by student of BTP / Presentation by student of TP
10:30am (BT) Games & Quiz by students of BTP
11:00am (BT) Engagement / Campus Tour / Refreshment by F & B student
11:45am (BT) Exchange of souvenir by BTP & TP / Group photos from BTP & TP
12:30pm (BT) Lunch
13:30pm (BT) Visit to Supermarket

Best regards

Greetings from Temasek Polytechnic!

Hope your team receives this email in good health.

Please allow me to introduce my colleague, Mr Tan Teck Ming who will be the Trip Liaison (Trip Leaders) for the upcoming Global Studies Overseas Study Trip (GSOST) to Batam in November 2023.

We would like to request for a half-day visit to BTP campus from 6 – 9 November 2023. There will be an estimated total of 30 students and 2 staff travelling to Batam as part of their Global Studies module. Whilst we are in the midst of procurement for the travel agent for this trip, we would like to schedule a meeting sometime next week to discuss on the proposed campus visit.

Mr Tan Teck Ming will follow up with your team to confirm the meeting details.

Your support for TP will go a long way in building lasting relations and friendship for our institutions. We will be happy to host BTP when the opportunity arises in the future.

Looking forward to your favourable response.

Subject: [GSOST May 2023] Temasek Polytechnic Visit to Batam Tourism Polytechnic (BTP)

Greetings from Temasek Polytechnic!

On behalf of the trip leaders and students, we would like to express our deepest appreciation for the outstanding hospitality extended to them during their recent visit to your campus on Tuesday, 9 May 2023.

Our students gained valuable insights into Batam's tourism industry and Malay culture through your presentations. The engaging campus tour also provided our students with a comprehensive understanding of your institution's state-of-the-art facilities and innovative programs. Through interactive games and practical demonstrations, they also experienced the joy of learning in a stimulating environment and interacting with your staff and students.

Please convey our gratitude to all the staff and students who contributed to making the visit so enjoyable and educational. We believe that the experience has not only broadened our students' horizons but also instilled in them a deep appreciation for the value of cultural exchange.

Looking forward to the possibility of future collaborations and to reciprocate your hospitality whenever the opportunity arises. Feel free to reach out to us to further our discussion on the proposed MOU. Thank you once again for your warm hospitality.

P.S. Below is a photo collage of the fond memories created at BTP and here's to sharing more meaningful memories together!

Thank you!
